# Emily Fullman

---

Objective                      To find employment that will help expand my growing experience in the field of healthcare.

Work experience              Medical Aid  
2006-2009              Klamath Walk-In Care Center      Klamath Falls, OR  
Duties included rooming patients, taking vital signs, drawing blood, giving shots and ordering medical supplies. I also performed urine analyses, EKGs, pregnancy tests and strep throat swabbing and testing. I also made out going referral appointments to different providers in the area and handled front desk reception when needed.

Education                      2009 – Present      Aviva Institute                      Online  
2005 – 2009              Klamath Community College      Klamath Falls, OR  
2001 – 2005              Hosanna Christian High School      Hillsboro, OR
